For purposes of this EULA, Licensee shall mean any physical person or legal entity willing to be granted a license for the use of the Font. In case of a group of physical persons or legal entities, each of the corresponding persons or entities has to subscribe to a specific license.

The purpose of this EULA is to set out the terms and conditions of use of the Font licensed by Mostardesign Type Foundry to Licensee, as well as the rights and obligations of the Mostardesign Type Foundry and Licensee in that regard.

This EULA shall prevail over any other general or special terms and conditions not expressly agreed by Mostardesign Type Foundry. This EULA forms a contractual whole together with the quotation or invoice validated by Licensee ("Invoice"). In the case of any inconsistency between this EULA and the Invoice, the Invoice shall prevail.

2. Acceptance of this EULA

The validation and payment of the Invoice for the desktop use of the Font, as provided for herein, entail full and complete acceptance of this EULA.

This acceptance can only be full and complete. Any qualified acceptance of this EULA is considered as null and void. If Licensee does not accept to be bound by this EULA, Licensee must not subscribe for the desktop use of the Font.
